Education

K.V.G College Of Engineering
Bachelor's Computer Science
CGPA: 7

Sullia,DK
August-2018 - July-2022

K.V.G College Of Engineering

Experience

HIKEON TECHNOLOGIES PRIVATE LIMITED, BANGALORE. | Software Developer
Bengaluru, India | August-2022 - March-2023

Designing, building and maintaining Java-based applications & websites.
Contributing and taking part in software and architectural development activities.
Developing well-designed, efficient, and testable code
Actively participated in code refactoring and optimization to improve application performance and maintainability.
Stayed up to date with industry trends, advancements, and best practices in software development, especially focusing on Java technologies.

Skills

Programming Languages:	Core Java
Libraries/Frameworks:	JDBC, Spring Boot, REST, Java Spring, CSS, JUnit, GraphQL, HTML, MultiThreading, OOPS, Collection Framework
Tools / Platforms:	GitHub, Eclipse IDE, Postman, DBeaver
Databases:	PL/SQL

Projects / Open-Source

Spring Migration Core Java, Eclipse IDE, GitHub, Mule, SQL, DBeaver, Spring Boot, Rest API

- Analyzed Mule codebase.
- Identified areas for modification.
- Developed a migration plan aligning with Spring's architecture and best practices.
- Optimized the API's performance by employing caching mechanisms, query optimizations, and data indexing.
- Integrated error handling and logging mechanisms to effectively handle exceptions and troubleshoot issues.
- Conducted thorough testing and quality assurance to ensure the reliability and stability of the API.

1 World Sync Core Java, Eclipse IDE, GitHub, Mule, SQL, DBeaver, Spring Boot, Rest API

- Implemented API using standard protocols and frameworks.
- Designed efficient data models.
- Developed CRUD endpoints for seamless product management.
- Conducted thorough testing to validate the migrated code and ensure its functionality and performance.
- Created task breakdowns, established timelines, and allocated resources effectively to facilitate a successful migration.

Certifications

Java Programming - Great Learning
